## 2024 Citation Award Winner

*Paige Pederson*

Bismarck Art & Galleries Association celebrates one of our biggest supporters, Paige Pederson, by awarding her the Citation Award. This honor truly reflects Paige's dedication to the arts community and the lasting impact she had on everyone around her.

Paige was a faithful volunteer and board member, as well as an avid art collector whose personal collection showcased her refined taste. While she humbly considered herself not an artist, her artistry flourished in her beautifully curated garden, a vibrant reflection of her connection to nature.

Her elegance went beyond her garden. Known for her impeccable fashion sense, Paige always wore stylish outfits and carefully chosen accessories, embodying a timeless grace that made a lasting impression on everyone.

At BAGA events, Paige was a familiar and welcoming presence. Always the first to arrive and the last to leave, she dedicated herself to ensuring every gathering was a success. She played a pivotal role in the cookie walk, helping to bake over 100 dozen cookies each year. Her generosity extended beyond baking, as she frequently donated to BAGA whenever there was a fundraiser or a need. Her tireless efforts were especially evident during the Capital A'Fair, where she supervised the food court. Vendors respected her professionalism and dedication, which made the event a joy to participate in.

The Citation Award serves as a poignant reminder of the kindness and elegance she shared with everyone around her. Though Paige Pederson is no longer with us, her spirit lives on in the hearts of those who were touched by her passion for the arts and her unwavering commitment to community. The arts community stands united in its appreciation for Paige—a classy lady whose legacy will forever enrich the cultural landscape of Bismarck.

# The Fall Art Exhibition Mission

Bismarck Art & Galleries Association recognizes the contributions art makes to our society. In light of this, BAGA exists to promote art and specifically artists within North Dakota and the Bismarck-Mandan community. Our Fall Art Exhibition is a regional exhibit open to all artists over 18 years of age. Proceeds from the sale of art help fund the artists’ efforts and the cost of the show. This is not a fundraising event. Its purpose is to provide an annual opportunity for artists to show, share and sell their work.

## 2024 Volunteer of the Year

*Carolyn Twingley*

I began volunteering at Bismarck Art and Gallery Association, after I had retired from the Library at Bismarck State College, eleven years ago.

I love seeing new art and artists and have also met a wonderful group of people who volunteer at BAGA who are interested in the arts in Bismarck. The shows have always been great to see and I enjoy seeing many people from Bismarck attending the openings.

Last year, after my husband Dale passed away, a big concern of mine was what to do with all the silk screen prints, water colors and drawings that he had in his studio. Dale had taught art in Bismarck for 30 years. I visited with Lynae Hanson, who was the director at the time, and Jan Web, in hopes that they could give me a hand. As a tribute to Dale, they came up with the idea of holding a fund raiser for high school art student awards, in his honor. A Sunday afternoon in January turned out to be perfect - we had a wonderful turnout, many of Dale's works found good new homes, and we established a solid fund for student art awards, which will last for many years to come. I will be forever grateful to BAGA for helping me with this decision. I was proud and believe he would have been, too.
