SPONSOR OPPORTUNITIES

Capital A'Fair is produced by Bismarck Art & Galleries Association, with the support of many sponsors, partners and volunteers, as part of our mission to encourage and expand participation and appreciation of the visual arts, by all.

SHOW YOUR SUPPORT

For This Beloved Community Event!

Up to 15,000 people have attended the Capital A'Fair annually, shopping for unique gifts created by artisans from across the region. There are booths galore, along with food vendors, musicians, dancers, demonstrations, car shows, inflatables, chalk painting, and artists to attract the crowds.

Each year, we work to make this event fresh and new so people keep coming back!

Capital A'Fair is a large undertaking for our 2-person staff.

Can we count on your financial support to ensure a fantastic event this year?
